TOURNAMENT REFEREES STATEMENT

All players must be prepared to assist with the marking and / or refereeing of matches if required.

Players will be notified in advance if this is required.

It has been agreed that players should receive a statement before any major event setting out the stance to be taken by the appointed referees as regards to discipline.

The Tournament Referee would therefore like to make the following statement at the beginning of these Championships to set this stance on matters regarding behaviour and discipline.

Approved eye protection must be worn at all times **including the knock-up and practice.**

The referees will be working on the following guidelines:

Any form of obscenity whether audible, mouthed or gestured will receive no warning and a penalty of one point or game will be given. The referees line of 'no easy lets', i.e. where there is minimal interference and 'no cheap strokes' will be followed. Hopefully this will ensure flowing matches with the minimum of stoppages.

Players and coaches are advised to make themselves familiar with the current Code of Conduct and the automatic penalties for accumulated points We will implement the Code of Conduct rigorously, i.e. any breach of Rule 15. (Audible and visible obscenity, verbal and physical abuse, dissent, coaching, late back on court)

Throwing of rackets and smashing them comes under the above. At the first sign of racket abuse the referee will use the code of conduct according to the severity of the offence

Whilst referees will be doing their utmost to get all decisions correct there will inevitably be times when the players disagree. In such circumstances please refrain from any antagonistic comments. It would be appreciated if you could simply ask for an explanation which will be given. Dissent towards referees will be penalised.

Referees will apply normal code of conduct as soon as they consider that a discussion is being unnecessarily prolonged. This does not mean that an amusing quip or comment even if mildly directed towards the referee will be regarded as a code of conduct offence.

Referees at this event are sometimes disadvantaged by having to officiate from a position well behind the courts and below the ideal height. This reduces their ability to determine whether pick-ups are good or not at the front of the court. The referees would greatly appreciate players honesty in declaring promptly if their shots are 'not up', 'down' etc. Should you wish to talk to the referee, please move onto the 'T' which enables your voice (and the referees) to be heard over the glass back wall. You may also move to the doorway and speak from there but, please do not leave the court.

The Tournament Referee and Assistant Tournament Referee will be present at both clubs for the duration of the Championships and will be happy to discuss or give further information.

Please follow these guidelines and hopefully we will have an event free from controversy,

GENERAL

The tournament will be managed by Judy Williams.
