Welcome

Mark Williams, CEO, England Squash

On behalf of everyone at England Squash, I am delighted to welcome players from around the UK and Ireland to the ProAir British Junior Championships in Sheffield.

This event has always been one of the most coveted titles on the domestic junior circuit - even more so this year, with the event celebrating its 50th anniversary. Previous winners include Sarah-Jane Perry, Alison Water, Emily Whitlock, Peter Nicol, Lee Beechill, James Willstrop and the host's city very own Nick Wall, highlighting the calibre of the event. With the UK and Irelands best 400 or so players competing across the 12 competition categories, there will be plenty of fantastic squash played as all involved strive to achieve their goals.

I'd like to thank all those involved in organising the championships, especially Abbeydale, Hallamshire and Fulwood, who together with the events team here at England Squash, work incredibly hard to put on an event that delivers for players, parents, coaches, sponsors and spectators.

Finally, to all of you playing in this special anniversary edition of the event, I want to wish you the very best of luck and I hope everyone attending in whatever capacity, has a successful and enjoyable time in Sheffield.

Nick Matthew, 3 x World Squash Champion

Welcome to the British Junior Squash Championship in my home city of Sheffield. It's the third consecutive year we've hosted the event and we look forward to delivering the very best event we can.

I am looking forward to seeing juniors from all across the UK and Ireland filling our three host venues. It reminds me that squash is a sport that brings everyone together and an opportunity to make lasting relationships.

This year we are delighted to welcome back our title sponsor ProAir, of whom director Mark Schofield is a regular player at Hallamshire, and also the University of Sheffield, Faraday

Scientific, Peptide Synthetics and Carmats. These important partnerships allow the event to develop and be delivered to the highest standard.

With Olympic squash on the horizon in LA 2028, who knows, we might be witnessing some gold medallists of the future. What a powerful inspiration for any young player. Play hard!

Laura Mumford, Competitions Manager, England Squash

I am delighted that the very best players from the UK and Ireland are heading to Sheffield to compete in this very special 50th anniversary edition of the British Junior Championships.

We continue to strengthen the event and this year we are excited to introduce several new initiatives. For the first time, girls and boys will compete in separate under 9 playing categories and all finalists will receive prize money, in addition to other prizes.

England Squash would like to thank the other nations' governing bodies for their continued support which is central to making the event a special tournament for all involved.

The enthusiasm of the players, commitment of the parents & coaches and the dedication of the organisers and venues combine to demonstrate the strength of our sport and the opportunity we have to further develop our players, venues and networks.

I would also like to thank our headline sponsor ProAir and our other supporting partners whose continued support helps bring the championships to fruition.

I wish all players the best of luck and look forward to seeing you all on court.

The View of Former Champions

Amelie Haworth, GU19 Champion 2023

The British Junior Championships has always been a special tournament for me and one I've always prepared well for. Winning the GU19 event last year meant a lot to me as it placed me at the top of British junior squash and it gave me a confidence boost going into the rest of the season.

The experience of playing in this large-scale event has helped me transition to the professional game.

Jonah Bryant, BU19 Champion 2023

With the British Junior Championships being the highest profile and ranking junior domestic event, I was determined to win the event last year after just missing out on the title in 2022. Winning the event established myself as the best in the UK and Ireland and gave me confidence as I progressed into the senior game.

I'm looking forward to watching some of the matches this year. I have no doubt all categories will be hotly contested!

Safeguarding

The safeguarding lead for the event is Laura Mumford. Please contact Laura if you have any concerns.

M: 0161 4384329

E: laura.mumford@englandsquash.com

For general information on safeguarding and our policies, please see the Safe Squash page on our website: www.englandsquash.com/about-us/governance/safe-squash

We have some specific guidance regarding changing arrangements for junior players:

Abbeydale:

This venue is a mixed sport facility, so the changing and toilet areas are for use by the general public. If you wish to use a designated individual toilet/changing area there is an accessible toilet which can be used for changing and will be for the use of the general public who might require this facility and junior squash players only.

Fulwood:

This venue is a mixed sport facility, so the changing and toilet areas are for use of the general public. If you wish to use a designated individual toilet/changing area there is an accessible toilet in the bar area which can be used for changing and will be for the use of the general public who might require this facility and junior squash players only, or two stand alone toilets in the tennis pavilion which can be used for changing.

Hallamshire:

General changing and shower facilities are used by other members of the club, however there are 3 individual changing cubicles that can be used by junior squash players if needed.

Safeguarding Leads:

The event has designated safeguarding staff available throughout the competition, if you have any safeguarding concerns please get in touch with them.

Abbeydale: Laura Mumford: 0161 438 4329

Hallamshire: Vickie Prow: 07796 181 286

Fulwood: John Mullins: 07989 126 153

Volunteers

Volunteers will be on hand throughout the event to assist players, parents and spectators and help ensure the event runs smoothly. All volunteers, along with other event staff, will be clearly identifiable from their event t-shirts and ID badge.

Please respect our team of volunteers. They freely give up their time for the love of the event and sport in general.

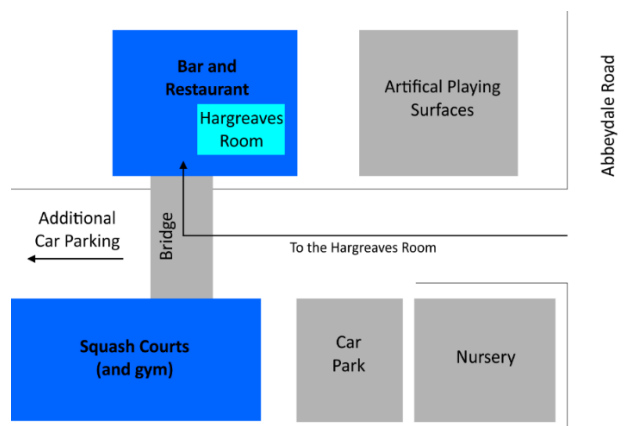

Marker Awareness Workshop – Calling the shots for Parents/Guardians and Players

During the event, England Squash will be hosting and offering all parents/guardians/coaches and players the opportunity to attend a Marker Awareness Workshop presented by a senior Level 3 ES referee. The workshops will be hosted in the Hargreaves room at Abbeydale on Thursday 31st October at 11am and 2pm. Each workshop will last approximately one hour. The Hargreaves room is accessed from the Dale Sports Bar (the bar at Abbeydale, see map below). These workshops are designed to provide participants with the basic skills and confidence to mark matches, make more effective decisions and give concise explanations when challenged.

Places on the workshops are limited and booking is essential. To book a place on the workshop please click and follow the link below book a place for yourself and/or child(ren). Bookings will close on 29th October.

<https://englandsquash.typeform.com/to/JO2qIUUM>

Please note this workshop will be in a presentation format, and while every attempt is made to ensure that it is suitable for junior players of all ages, it may not be suitable for some U9s and U11s. All U9s and U11s players must be accompanied by a parent/guardian.

Registration and Tournament Desks

All players must sign in at the venue's tournament desk at least 30 minutes before their first match. We cannot accept parents or guardians signing in on a player's behalf.

Please direct all enquires to the staff on the tournament desks. They are there to help and ensure the event runs smoothly for all involved.

Event Details

Event Categories

There will be events for the following age categories:

Girls: U9 / U11 / U13 / U15 / U17 / U19

Boys: U9 / U11 / U13 / U15 / U17 / U19

As usual, players can only enter one category.

Format

All matches are to be played best of 5 games.

All games are to be played PAR (point a rally) to 11. Should the score reach 10-10, a player needs to win by 2 clear points.

A range of playing formats are in use to cater for the different draw sizes. Some use the standard monrad format, others use round-robin groups and some a hybrid of these. All formats will result in each player receiving a final finishing position.

Match Organisation

Matchplay is scheduled to take place at the following times:

- Thursday 31st October: 9am – 8pm
- Friday 1st November: 9am – 8pm
- Saturday 2nd November: 9am – 7pm
- Sunday 3rd November: 9am – 5pm

Please be aware play may extend past these times when necessary.

With the exception of the boys and girls under 9 events, all semi-finals and finals are to be played on the all-glass court at Abbeydale on the Saturday and Sunday. This court has extensive tiered seating.

Draws, Schedule of Play and Results

Event draws, schedule of play and results are managed using SportManager, England Squash's tournament platform. Online access to live updates will be available throughout the tournament by accessing the tournament page on SportManager via your smartphone/tablet/laptop.

The draws will indicate the venue and which court matches are to be played. The following codes are used to identify a venue:

- Abbeydale: A
- Fulwood: F
- Hallamshire: H

So for example, H3 refers to Court #3 at Hallamshire.

The draws can be found here: www.sportmgr.co.uk/t/586588/draws

Practice Courts

Each of the venues provide practice courts before the start of play on each day. These will start one hour before the official match play start time (see section above for details). There is no need to book in advance. The practice courts will be operated on a first come first served basis. If demand is high, we ask players and parents to consider other players and share the practice courts equitably.

Practice courts are available to book on Wednesday 30th October. Please contact the venues direct by using the contacts given in The Team section above (page 6). Note, all court bookings of this type must be made by 23rd October.

Event Souvenir

Each entrant will receive welcome gifts supplied by Ashaway. These will be distributed to players when they register for their first match from the venues' tournament desks.

Trophy and Prize Presentations

There will be trophy presentations for those finishing first, second and third in each event. The finalists will receive prizes provided by Ashaway and Adidas and also cash from the event.

Please note that presentations will begin after the last final has finished on the all-glass court at Abbeydale on Sunday. All those receiving trophies are required to be present for the presentations and the photos that follow.

The Don Saunder Cup is awarded each year to the winner of the GU19 and BU19 events. This year Mr. and Mrs. Saunder will present the cups to the winners of these events.

Venues

Clubs

The event will be split over three host venues. The clubs have 19 courts between them, twelve of which are glass backs and one all-glass court.

Locations

The three venues are all located on the south-west of the city and within 4.5 miles of each other, which is less than a 15 minute drive.

The location of the three clubs are highlighted on the maps below with stars:

Parking

All three clubs have car parking available.

Abbeydale: Extensive parking is available in car parks located to the front and rear of the squash building.

Fulwood: Parking is available in the main car park. Additional on-road parking is available on the roads immediately around the club. There are no parking restrictions, but we ask that you park safely & responsibly. The club seeks to be a good neighbour, so please park sympathetically to those that live near the club.

Hallamshire: The club's central location makes accessing the club by transport quite easy. The car park has limited spaces and we would encourage all participants to arrive allowing enough time to allow for this. Please park only in the designated car spaces and note that caravans and motorhomes are not permitted in the car park. The club is located on Ecclesall Road and on Fridays there is a bus lane in operation from 4pm to 6:30pm. Note, however, on Saturdays and Sundays Ecclesall Road is available for parking throughout the day and night. Please make sure to check all road signs when parking on Ecclesall Road.

Bar and Catering Facilities

All three clubs have excellent bar and catering facilities that will be open during the tournament serving hot and cold drinks and food. The menus for each bar can be found in Appendix 1 at the end of this guide. Note that meals may only be served during limited hours (see Appendix 1 for details).

The bar areas are open during the following times:

- **Abbeydale:** Thursday: 9am-10pm
Friday: 9am-10pm
Saturday: 9am-11pm
Sunday: 9am-7pm
- **Fulwood:** Thursday: 9am-10pm
Friday: 9am-10pm
Saturday: 9am-4pm
Sunday: 9am-3pm
- **Hallamshire:** Thursday: 8am-10:35pm
Friday: 8am-10:35pm
Saturday: 8am-8:35pm
Sunday: 8am to 7:35pm

Exhibition Match

An exhibition match featuring Mille Tomlinson (world number 58) and Asia Harris (world number 72) will be played on the show court at Abbeydale on Saturday 2nd November at 1pm.

Following the match, there will be a question-and-answer session where spectators can ask questions and an opportunity for spectators to request autographs.

The exhibition match is free of charge and will not be ticketed, so if you want to watch the match, please make your way to Abbeydale in good time as seating will be on a first come first served basis.

Eye Protection

Wearing eye protection during matches is mandatory for all players. Approved eye protection must be worn that meets England Squash requirements: British Standard BS7930-1. Please note that those who require prescription spectacles must either use a visor or wear instead prescription sports goggles/glasses.

For further details, please see the information here: [Protective Eyewear](#).

Rules, Regulations and Code of Conduct

Rules and Regulations

Please familiarise yourself with the current England Squash rules and regulations for sanctioned events that can be found here:

[Rules and Regulations](#)

It is particularly important that players, parents and coaches understand the rules around withdrawing from the event. Withdrawing from the event under certain conditions can lead to there being no ranking points being allocated. This is detailed in Section 4 of the guide

Code of Conduct

All competitors, parents/guardians, spectators and coaches agree to abide by the England Squash Code of Conduct. For details, see here:

[England Squash Code of Conduct](#)

We politely insist that parents refrain from interference in matches. Any complaints should be addressed to the tournament desk.

Clothing

All players must wear clothing suitable for squash including non-marking soles on footwear.

Players competing in matches where streaming is taking place must not wear the same-coloured top as their opponent. All players are required to bring a minimum of two different coloured tops to these matches. In the event that two players are wearing the same-coloured top for a match, the lower seeded player must change into their second top to prevent any clashes.

Tin Height

The tin height for all matches will be at 19" (48cm).

Live Streaming, Photography and Video Recording

England Squash

There will be official live streaming throughout the event of the matches played on the all-glass court at Abbeydale.

An official photographer will be taking photographs from around the venues throughout the event and some of these will be posted on England Squash's website and social media channels.

By taking part in this event, you agree to allow video streaming of your matches and photographs to be taken during the event and England Squash to use these as described above. If you have any concerns, please inform the tournament desk at registration.

Video Recording and Photograph by Individuals

Players and parents are permitted to record matches and take photos at the event so long as consent is provided from all those involved. Where a child is involved, consent must be obtained from their parent/guardian.

Qualified England Squash Referees and Marking of Matches

England Squash will be providing referees for matches throughout the event at Abbeydale and Hallamshire. For those matches that do not have an England Squash referee allocated, both players from the previous match must mark. This is a mandatory requirement for playing in the event. If any players need support in this role, they must discuss this and any other refereeing concerns with the Tournament Desk.

England Squash is also looking for parents, coaches and guardians with marking experience to volunteer to officiate on 2-3 matches at this competition. If you have experience and are willing to offer to officiate matches, please contact Vickie Prow (vickie.prow@englandsquash.com) before 28th October. England Squash will ensure that any volunteers are allocated matches at their preferred location and avoid any conflict of interest with their own player(s).

Referee Statement from Ashley Smith, Lead Referee

All players, their parents/guardians, and coaches, must note the Referee Statement before the event which sets out the stance to be taken by the appointed ES referees with regards to discipline. The Lead Referee for the BJC would therefore like to make the following statement at the beginning of these Championships to set the stance on matters regarding behaviour and discipline.

Players, parents/guardians and coaches are advised to make themselves familiar with the current England Squash Code of Conduct ([Codes of Conduct](#)) and the automatic penalties for accumulated points. Referees will implement the Code of Conduct rigorously against any violations including audible/visible obscenity, verbal/physical abuse, dissent, coaching, late back on court, delaying play, court/racket abuse. Referees will use the code of conduct according to the severity of the offence.

Whilst referees will be doing their utmost to get all decisions correct, there will inevitably be times when the players disagree. Players are entitled to ask for an explanation, which will be given. However, Referees will apply the code of conduct as soon as they consider that a discussion is being unnecessarily prolonged. The referees would greatly appreciate players honesty in declaring promptly if their shots are “not up”, “down”, etc.

Should a player wish to talk to the referee, they should move onto the “T” which enables their voice (and that of the referee) to be heard over the glass back wall. Please note, it is not permitted for the door of the court to be opened to speak to the referee without the referee’s permission.

The referees will also be ensuring the following:

- That approved eye protection is always worn when players are on court. This includes the warm-up and practice.
- A “Fair Share of the Warm-up” with a maximum of three strikes from each player then a cross court to their opponent.
- No wiping of hands on any court surfaces. Players may take a towel on court and reasonable time will be permitted. However, tactical, or excessive use will be deemed as delaying play, and the referee will use the code of conduct.

Whilst the above guidelines will apply to players, please note that referees and tournament staff will not tolerate any form of dissent or abuse from parents/guardians or coaches, under any circumstances. If there are any queries regarding any aspect of the matches, they should be addressed to the Tournament Desk and not the Match Referee. The Lead Referee will be available if required.

The Referee Team are very much looking forward to officiating at the ProAir British Junior Championships.

Please help England Squash by following these guidelines so that the tournament can be free from controversy; England Squash would all like to have an enjoyable and successful event.
