M08ESB(2102)	CEO Report Lockdown restrictions continue to ease and MW highlighted the very positive reaction from the squash community to the return of the core game (including team squash). Further information/announcements are expected from Government and Sport England regarding the final easing of restrictions scheduled for 21 June.	
M09ESB(2102)	The staff team continue to work hard and MW noted his appreciation for their continued support. The office move is progressing although there is not a firm date as yet for when staff will be able to return to working from the office. Keir Worth, Linda Taylor and Lee Drew have left England Squash and Hannah Hodgson, Anna Vaughan-Hawkins and David Evans have joined the team as Partnership Engagement Officers.	
M10ESB(2102)	MW highlighted a particularly congested tournament calendar with three events (the British Open, Manchester Open and the British National Championships) scheduled for August following the World Tour finals in Cairo and World Championships in Chicago.

M18ESB(2102)	<i>Re-engaging the Community</i> Work continues towards reintroducing affiliation fees in September.	

M19ESB(2102)	<p><i>“Core Market”</i></p> <p>The development of ‘core market’ was discussed and agreement reached that juniors should be included. There was a general consensus that the nuances and demographics of the squash core market should be considered and understood, particularly the male/female membership ratio and junior/adult membership split. PB is to initiate a new audience segmentation project accordingly.</p> <p><i>Number of junior members</i></p> <p>The percentage of the England Squash membership that is made up of juniors was queried by the Board. This is to be reported on at the next Board meeting.</p> <p><i>Membership pilot</i></p> <p>It was requested by ND that the Membership and Affiliation Working Group should revisit the direct membership pilot that was previously discussed. PB is to discuss and agree the approach to this with the Working Group.</p>	<p>PB</p> <p>PB</p> <p>PB</p>

M29ESB(2102)	<p>5. Event Update – PSA Partnership</p> <p>MW presented this item.</p> <p>Delivery of the British Open in particular has presented a long-term and ongoing challenge as well as significant financial liability for England Squash. The proposed agreement with the PSA represents a solution that secures the future of the event, reduces the financial risk to England Squash (the contribution diminishes through the term of the agreement) and allows staff resources to remain concentrated on delivering the core components of the England Squash strategy.</p>	
M30ESB(2102)	<p>There was agreement that major events should be outsourced through an agreement with the PSA, provided that:</p> <ul style="list-style-type: none"> • the agreement be completed by August 2021 • the agreement be 'watertight' in terms of the nature and quality of event the PSA will deliver • more details on the financial model underpinning the agreement be provided to Board 	PW
M31ESB(2102)	<p>Before sign-off, the proposed agreement will be forwarded to the Audit and Risk Committee for recommendation and subsequently to JC for final approval on behalf of the Board.</p>	PW

M33ESB(2102)	<p>7. Inclusion and Diversity</p> <p>JR presented this item.</p> <p><i>Action Plan</i></p> <p>The action plan provides focus for the work on Inclusion and Diversity and will help improve the understanding of squash's current position and direct future work.</p> <p>The Board approved the action plan and encouraged a high level of ambition in relation to the targets. It was agreed that case studies (e.g. Northern Rebound) should be shared widely.</p>	JR
M34ESB(2102)	<p><i>Board Training Options</i></p> <p>The Board welcomed the proposal that they receive training on 'inclusive behaviours and cultures' and on introductory training where required.</p>	JR

M36ESB(2102)	<p>8. Finance</p> <p>NE presented this item.</p> <p><i>Year-end Position</i> The Board paper reported a substantial loss for the 2020/21 year, mainly due to the predicted loss of all membership-related income. However, not fully utilising the Sport England grant covers the loss of membership income and therefore it was felt consideration should be given to how the year-end operating position should be presented.</p>	NE/MW
M37ESB(2102)	<p><i>Year to Date</i></p> <p>The scenario that the budget was based on was said to bear no resemblance to what has occurred in the year to date due to the COVID-19 restrictions. It was said to be pertinent therefore to focus on the end-of-year outturn and options available.</p>	NE
M38ESB(2102)	<p>9. M40ESB(2102)	<p>10. Referees</p> <p>MW presented this item.</p> <p>It was reported that a financial model has been identified in order for referees to offset the costs of adopting the WSO platform. If a referee officiates at four events per year, fees relating to England Squash membership, safeguarding and DBS checks will be waived/refunded.</p> <p>The Board approved this proposal.</p>	Chris Peach
M41ESB(2102)	<p>11.
